

## PRESS RELEASE – Final

### DEX Meet Up – Learn from some of the brightest minds in blockchain for “A deep dive into Decentralized Exchanges” at Factory Berlin

Berlin, Germany, 22nd January 2018, [Factory](#) today announced that it is to host [Web3 Foundation](#)’s “A deep dive into Decentralized Exchanges” meet up on the 24th January 2018 at its Factory Mitte location in central Berlin.

With an emphasis on education, Web3 Foundation’s meet up “A deep dive into Decentralized Exchanges” will bring together some of the leading minds in the Decentralized Exchange (DEX) eco-system to discuss the benefits and opportunities and to educate the audience on current developments and possibilities of P2P automated processes for both trading and asset management.

Web3 Foundation firmly believes that, “Decentralized Exchanges play a key role in a decentralized ecosystem. We are happy to gather the most outstanding projects and to share information in a collaborative environment like Factory.”

Ramin G. Far, CEO, Factory, commented, “By bringing together the best minds into one inspiring space, great things are always possible. We look forward to a very productive DEX meet up at Factory and welcoming as many attendees as possible.”

Participant teams discussing their DEX thoughts and projects include:

[Radar Relay](#) - An overview on Radar Relay + Centralized vs. Decentralized Exchanges  
[Gnosis PM](#) - Gnosis DEX presentation + Auction Mechanism implemented in the Gnosis DEX  
[Kyber Network](#) - Introduction to Kyber Network + Co-existing with Centralized Exchanges  
[Melonport](#) - Melonport walkthrough + Cross-chain exchanges  
[OmiseGO](#) - OmiseGo's 100% public Plasma.io DEX

Dr. Gavin Wood (President) and Peter Czaban (Executive Director) of Web3 Foundation will introduce attendees to the meet up and give an overview of the foundation.
